

GCSE / A Level / BTEC concerns

Please be advised that we have received guidance today from Ofqual detailing the way in which we are able to process any appeals regarding the Centre Assessed Grades.

Due to the extenuating circumstances surrounding the awarding of exam grades this year there will be a different approach to detailing with any queries.

In the first instance, please email any queries through to examresults2020@WestCoventryAcademy.org

Please do not contact individual teachers, as they are unable to process the requests. On receipt of your query, we will inform you of the next stage of the process.
