

Dear Parents/Carers,

## Results Day Thursday 12<sup>th</sup> August 2021

I am writing to inform you that the current plan is to run results day at school and allow students to pick up their results in person. Times and details will be confirmed. Students will be able to enrol into West Coventry Sixth Form after they receive their results.

I remind you that in order to secure their place, students have to meet our entrance criteria. Offers are conditional upon achieving at least 5 grade 9 - 4 at GCSE level including a minimum of grade 4 in English and Mathematics. In order to take a specific subject please check the individual entrance criteria. These can be found on our website in the subject booklet:

In the meantime, if you have any questions/concerns please do not hesitate to contact us at:

[staffsxn@westcoventryacademy.org](mailto:staffsxn@westcoventryacademy.org)

We feel this would be the best way to support students, as well as join in to celebrate their achievements after such a challenging year.

In the meantime, please pass on my regards to your son/daughter. I look forward to seeing them in person again in August.

Yours faithfully

**Ana Neofitou**
