

Dear Parents/Carers,

**Results Day Tuesday 10<sup>th</sup> August 2021**

I am writing to inform you that the current plan is to run results day at school to allow students to pick up their results in person. UCAS opens at 8:30am for clearing and so it is likely (but this will be confirmed) that students will be invited onto site from 8am to get their results.

We feel this would be the best way to support students, as well as join in to celebrate their achievements after such a challenging year.

In the meantime, please pass on my regards to your son/daughter. I look forward to seeing them in person again in August.

Yours faithfully

**Ana Neofitou**  
**Headteacher**
