

JAPANESE CURRICULUM OVERVIEW 21-22

MFL Vision Statement:

The MFL department at WCA believes that the curriculum content should equip students with the language skills to understand and **communicate effectively** in the target language. We are committed to preparing our students to become **respectful** and **responsible global citizens** in a multilingual, multicultural and inter-dependent world. Our department provision offers students opportunities to increase their cultural capital and encourages them to be **ready to learn** by opening their minds to the target language countries and their cultures. We endeavour to foster **resilience** in our learners in order for them to build confidence to use their language skills **independently** as they progress through their learning journey
